INFORMATION SERVICE

FISH AND WILDLIFE SERVICE

For Immediate Release OCTOBER 15, 1943.

The annual fall auction of U.S. Alaska sealskins, which had been scheduled to be held at St. Louis, Missouri, on October 18, has been postponed until November 1, the Fish and Wildlife Service of the Department of the Interior has announced. The sale has been postponed because the Office of Price Administration has under consideration a general revision in the ceiling prices of furs.
